ML100-12 GEL is a 12V 100AH GEL rechargeable maintenance free battery - UL Certified ; Dimensions: 12.10 inches x 6.65 inches x 8.47 inches. Terminal: Internal Thread.

Looking for a reliable and cost-effective battery solution? Check out our review of the NewtiPower 12V 100Ah Lithium Battery for all your power needs. Get more power in a compact size with 100% real capacity and intelligent charging protection. Say goodbye to power shortages and hello to reliable energy.

INFINITY 1500 can perform as a powerful solar generator in adventures as well as a reliable backup power at home to provide a huge capacity of 1512Wh and an impressive output of up to 2000 Watt. Wherever you need easy power, INFINITY 1500 would be your best choice.

Also, you can fully charge the generator using 8 solar panels for approximately 6 to 8 hours of optimal sunlight. If you have any follow-up questions, you may reach our support directly via (800) 975-7909, or email us at ...

I got an ecoflow solar charge cable and now I'm running closer to the 15A max of the Delta 2 Max solar inputs. Considering a 2nd Redodo mini 100Ah and running them in series for 24V. Then run a second solar charge cable to the 2nd solar input. Should be good for around 360W per port and 720W input overall.
