

Aleo solar panel prices

Who is Aleo Solar?

Aleo Solar is a company that has operated in the premium solar panel market for over 20 years. It is one of the few companies that manufactures solar panels solely in Europe. Most of its competitors have shifted solar panel production to countries across Asia.

Does Aleo supply solar panels?

Aleo does not supply mere panels. Aleo supplies reliable solar electricity. In 1999, Aleo Founder Marius Eriksen, a German pioneer who received the Federal Cross of Merit in 2003 for his voluntary work, had a vision that motivates us ever since, "to help build a better world".

Is Aleo solar module a good choice?

Fraunhofer Institute ranks Aleo solar module among the TOP performers during the first PV Durability Initiative / Tests went much beyond usually required standards. Aleo solar S18 module receives the TOP mark following a test performed by TDK. The BOSCH Group takes a majority stake in the company.

Why should you choose Aleo Solar?

To achieve the maximum performance of our solar modules. Aleo Solar | Efficient and reliable - Experience uncomplicated solar energy with our award-winning photovoltaic modules.

Does Aleo Solar offer a warranty?

Aleo Solar offers a warranty for its X83 series that is fairly typical. The X63 premium series comes with an improved degradation rate of less than 2% in the first year and 0.45% for the subsequent 24 years. However, a concerning part of the Australian warranty is that all claims must be made directly to their German office.

Why choose Aleo Solar premium he-TEC solar panels?

Aleo Solar premium he-TEC solar panels are a top choice for roof and utility projects due to their higher efficiency, lower power degradation rate, and competitive product warranty.
