industry-leading project ...

Atlas power station or Atlas Enerji Iskenderun power station is a 1200-megawatt coal-fired power station in Turkey in Iskenderun in Hatay Province, which burns imported and local coal and receives capacity payments. Construction was financed by Garanti Bank, Akbank and Isbank. It is estimated that closing the plant by 2030, instead of when its licence ends in 2057, would prevent over 5000 premature deaths.

With this PPA, Atlas will supply Codelco, the world's largest copper producer, with nearly 375 GWh/year for 15 years. Atlas will be developing, constructing and operating a new renewable energy project with an integrated battery energy storage system in Chile. SANTIAGO, Chile, March 6, 2024 /CNW/ -- Atlas Renewable Energy, an international renewable energy ...
