Who is the best solar company in South Carolina?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in South Carolina are Olympus Home, Renu Energy Solutions, Solar Energy Partners, CAPE FEAR SOLAR SYSTEMS, LLC, and ESD Solar. How many solar companies are in South Carolina?

Are solar companies competitive in South Carolina?

Solar companies are competitive in South Carolina -- they want your business. We recommend shopping around and getting multiple solar quotes. That way you can choose the one that offers the best value deal for your energy needs.

Is South Carolina a good place to buy solar energy?

However, when you buy something through our retail links, we may earn an affiliate commission. South Carolina's sunny weather and long summers make it ideal for solar energy.

Where can I buy solar panels in South Carolina?

Solar Energy World was founded in 2009 and operates across 10 states, including South Carolina. This installer offers solar panels from several manufacturers, as well as solar batteries and live system monitoring. With Solar Energy World, you can buy your solar panel system outright or sign a lease or PPA.

Are solar panels a good investment in South Carolina?

On top of potentially increasing the value of your home, solar panels will save you money on your utility bills over time - an average of \$31,400 over 20 years, according to EnergySage.com. However, the panels do require an initial investment and some patience to see a return, which takes on average around 7.9 years in South Carolina.

How do I choose a solar installer in South Carolina?

For solar installers in South Carolina, you especially want to look for a production warranty-- to provide peace of mind through the state's extreme weather -- as well as warranties for roof leaks, which are especially important given the high rainfall totals throughout the state.
