

Better solar energy port macquarie

Would you recommend solarbright Port Macquarie?

A great experience all round and would highly recommend SolarBright to anyone in the MNC region. It was a pleasure to work with the team (Jordy, Julia and Josh) at SolarBright Port Macquarie. I recently had a 5 kW system with a battery, 2 MaxLight skylight domes and a MaxBreeze solar roof ventilator installed.

Are you happy with solar bright Port Macquarie?

Extremely happy with our Solar Bright Port Macquarie experience. From the time we walked into the office to get a quote, to the installation we cannot fault the exemplary service we received. Jordy was honest and open with the quote which was very competitive with other equivalent systems.
