

Blitz advance power intake system

What is Blitz advanced air core type air cleaner?

The Blitz Advanced Air Core type air cleaner features both inhalation efficiency of the SUS POWER AIR CLEANER, and heat resistance performance of previous "SONIC POWER AIR CLEANER" to become the ultimate "SUS POWER AIR CLEANER"; Stable inhalation temperature by suppressing the temperature rise of the filter.

What is a blitz LM intake system?

The BLITZ LM Intake System was design to reduce intake restriction and provide maximum filtration. The LM intake system was design as a dry filter without any assistance of oil. Oil can gradually disperse into the inlet tracks and coat walls of the air flow meter which can slowly reduce the performance of your vehicle.

What is the difference between SUS power air cleaner & Blitz advanced air core?

The New Blitz Advanced Air Core type air cleaner features both inhalation efficiency of the SUS POWER AIR CLEANER. The Blitz Advanced Air Core type air cleaner features both inhalation efficiency of the SUS POWER AIR CLEANER, and heat resistance performance of previous "SONIC POWER AIR CLEANER" to become the ultimate "SUS POWER AIR CLEANER";
