

Boston solar company ct

What is Boston Solar's reputation?

Boston Solar has received 4.9 stars on over 500 Google reviews to date. They are dedicated to helping customers save money, while improving the environment and supporting the local community. Every member of their team is focused on delivering the best experience for every customer.

Are solar loans a good idea in Connecticut?

Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use the incentives (tax credits, rebates, etc.) available in Connecticut, rather than a leasing company retaining them.
