Where can I buy DIY solar panels?

Several companies specialise in selling DIY solar panel kits to the public. Plug-in Solar is particularly easy to follow, and offers a wide range of kits and step-by-step DIY guides, plus accessories such as solar panel mounting kits. Renology, Select Solar and Sunstore Solar are also well worth a browse.

Should I buy a DIY solar panel kit?

To save cash, you may be tempted to buy a DIY solar panel kit and fit your panels by yourself. DIY solar panels are widely available and many are excellent value compared with the cost of professional installation. For example, a full 3.4kW 10-panel kit from Plug-in Solar costs £4,728.

Can I install my own solar panels?

Yes, you can install your own solar panels. Sunstore Solar can provide professional installation, but we appreciate some people like to get stuck into a project. We designed our solar panel kits specifically for DIY solar panel installation projects. And what better project than providing energy security for your family or business?

Are DIY solar panels a good option?

DIY solar panels are a great option if you are looking to get off-grid, or just subsidise some of your home's energy to a cheaper, cleaner method. Once you have figured out what size solar panel kit you need, they are relatively easy to install and little effort to maintain, as well as having plenty of cost-saving benefits.

How much does a solar PV system cost?

The average cost of a typical 3.5kW solar PV system is currently around £6,000, roughly 10% of which pays for professional installation. To save cash, you may be tempted to buy a DIY solar panel kit and fit your panels by yourself.

Are DIY solar panels legal in the UK?

Yes. UK law is pretty relaxed about DIY solar panels, and in most cases you don't even need planning permission to install a full-sized array of solar panels by yourself. But going DIY may mean you miss out on government schemes, product warranties and utility company support, because you won't have the necessary paperwork or certification.
