

Can the locker be placed with its back facing the bed

Where should a locker be kept?

Locker should be kept in the South West portion of the house. It should be kept in the south West corner leaving the wall from both sides by 1 ft. Face of the locker should be in North as North is supposed to be the area of Kuber. If North is not possible at all then East facing can be done.

What direction should a locker be placed in a room?

If there's a lack of space in the room, place the locker with its back in the east direction. The locker direction according to Vastu should not be the southwest, southeast or northeast at all costs to reduce financial losses and needless expenditure. Also, make sure that it isn't placed in the corners.

Which direction should a locker be positioned in Vastu?

Let's have a look at them one by one. The ideal locker direction as per Vastu should be such that it has its back to the southern wall and its door opens towards the north. The north direction is supposed to be occupied by Kuber, the god of wealth. If there's a lack of space in the room, place the locker with its back in the east direction.

Where should a locker room be located?

Locker room is one of the most important rooms in the house and determines the prosperity and affluence of the house. While determining the position of the locker room, there are a number of considerations you need to make. According to vastu shastra, locker room should be ideally located in north direction of the house.

Should a locker room be extended to a side?

The locker room should not be extended to any side and also its height should match the height of the other rooms in your house as well (neither more nor less). Cash, gold and jewellery must be kept in the western or southern part of the locker to increase your wealth and prosperity.
