Will stela fend off generics longer than Street thinks?

It is possible that STELARA is able to fend off generics longer than Street believes, and maybe the talc litigation will finally come to an end sooner than expected. Moreover, the company's next batch of growth drivers might be able to help offset some of the projected drop in revenue from STELARA.

Does single digit growth justify a premium valuation?

Johnson & Johnson Annual Revenue Estimates (Seeking Alpha) Certainly, single-digit growth is not going to justify a premium valuation, however, I think it does repudiate the narrative that STELARA generics and the talc litigation are going to derail J&J's growth.
