

Compensation for the removal of photovoltaic panels

Can I claim compensation for mis-sold solar panels?

If you feel you were mis-sold solar panels for your home you could claim compensation. Back in 2019, it was reported that the Financial Ombudsman Service had around 2000 complaints from unhappy customers who felt they had been mis-sold their solar panels, with more coming in every week.

Can you get compensation if your solar panels are mis-selling?

If your solar panels are not reducing your electricity bills or providing you with the financial subsidies that you were originally promised by the company who sold them to you, you may be eligible for compensation. The solar panel industry is yet another of those currently embroiled in a mis-selling scandal.

Can I recover money if my solar panels are faulty?

Every case is different, however, you may be able to recover up to 100% of your money as well as any other losses (for example, if the solar panels are faulty and not performing as well as promised). How do I make a claim for mis-sold solar panels?

Can I claim my solar panels if they go out of business?

So, if you funded your solar panels via a loan, credit agreement or by credit card, you may still be able to make a claim even if the original installers have gone out of business.

Can I claim solar panels if a company closed down?

This means you may be able to bring your claim against your financial provider even if the company which sold you the solar panels has closed down. How much can I claim?

Can I make a claim for mis sold solar panels?

Our mis-sold solar panels solicitors can handle every aspect of your claim on your behalf. We may even be able to make a claim if the company which sold you the panels has gone out of business.
