What makes E-Z-GO elite a good golf cart?

E-Z-GO's ELiTE(TM) Lithium Series vehicles are powered by zero-maintenance Samsung SDI lithium batteries and backed by the best warranty available. Proven during more than 15 million hours of drive time, no other golf cart offers the performance, efficiency and experience of an ELiTE vehicle. Discover why it's America's best and most-loved golf cart.

How does E-Z-GO lithium compare to lead-acid batteries?

ELiTE lithium exceeds traditional batteries in performance, power and longevity. See how E-Z-GO's ELiTE lithium vehicles stack up against the lead-acid rides of yesterday. Greater efficiency than lead-acid models, with no loss in driving power as the battery is used. Limited efficiency, with noticeable power loss as the battery fades.

Why should you buy an E-Z-GO battery?

Get the most out of every ride. Head out twice as fast with an E-Z-GO equipped with the World Charger. It charges your vehicle in half the time it takes a traditional lead-acid battery, giving you more time for more experiences. Plug in your ELiTE lithium vehicle and charge anywhere for any amount of time, without affecting your battery's health.

Are EZGO lithium vehicles maintenance free?

Zero. E-Z-GO's ELiTE lithium vehicles are powered by trusted and reliable Samsung SDI lithium batteries. Paired with our advanced Battery Management System, these vehicles are completely worry and maintenance free.
