# Electro power systems annual report

Tray and LT Distribution Box.

When the following terms and abbreviations appear in the text of this report, they have the meanings indicated below. AEGCo AEP Generating Company, an AEP electric utility subsidiary. AEP American Electric Power Company, Inc., an investor-owned electric public utility holding company which includes American Electric Power Company, Inc.

The 2023 year has seen EOS make great progress. Since our last annual report, we have widened our customer base and our product range. Taking advantage of global tailwinds in the defence industry, we have serviced existing contracts and won new business, including in overseas markets. In the process, we have strengthened our commercial position and prospects.
