Világszerte vezeto technológiai vállalatként a Fronius a kompetenciáit három üzletágra összpontosítja: Perfect Charging, Perfect Welding és Solar Energy. Karrier a Froniusnál Munkaadóként a Fronius számos lehetoséget kínál a pályázóknak.

Fronius, the family-owned company based in Upper Austria, is often associated with the booming photovoltaics industry. But it wasn't always this way: if you look back at the first 30 years of its youngest "Solar Energy" business segment, you'll see that it was only in recent years that this branch developed into the

Fronius energy

company's new driving force.

Yes, it is possible! A solar system provides renewable energy for your home. At a basic level, you need electricity for the following three areas: Electricity: For powering appliances, light, and electronics Heating & cooling: HVAC system Mobility: Charging your electric cars You can easily generate this energy yourself. How?
