

# General installation price of photovoltaic panels

How much does a solar panel installation cost?

Generally, two installers will work together to install your solar panel system, and depending on its complexity, they can take up to 3 days to complete the installation. This means that you can expect to spend anywhere between £600 and £3,000 on labour costs alone.

How much does a solar panel cost in the UK?

The average cost of a solar panel in the UK based on a 350-watt panel is currently between £500 and £800. However, please bear in mind that this is the price for a single solar panel and does not include the professional installation or any other extras e.g. pigeon proofing. With that said, let's explore some common solar installation scenarios...

How much does a solar PV installation cost per kilowatt?

The mean average cost per kilowatt of a small solar PV installation (0-4kW) is above £2,000 for the first time since these records began in 2013/14. Prices for larger solar installations (4-10kW) increased even more dramatically - by 31% since 2021/22.

How much does a photovoltaic system cost in the UK?

o A household in the UK installs a 5kW photovoltaic system costing £8,000 (average cost), which would generate approximately 4320 kWh of electricity annually. o The annual SEG income in the UK would be £324 per annum.

How much does a solar panel cost per kilowatt?

Exactly how much a solar panel costs per kilowatt depends on the type of solar panel you're talking about. Monocrystalline solar panels are the most expensive, and their cost per kW is somewhere around £1,000 - £1,500 whereas polycrystalline solar panels cost about £900 per kW.

What is included in a complete solar panel installation?

Please bear in mind that a complete solar panel installation does not simply include the costs of the solar panels themselves, but also includes the following: Solar panel brackets. Solar panel inverter. Solar panel brackets. Installation i.e. labour costs of the installer. Cost of the solar battery storage system (although this is optional).
