I haven't found many run/walk animations on the toolbox that look nice so I decided to publicly share my animations for everyone to use! Walk's animation priority is core and the run's animation priority is idle You m...

Hello Creators, Today, we're expanding Avatar Settings to give you greater control over the look and behavior of player avatars in your experiences. Ensuring fair and consistent gameplay can be a challenge when players enter your experience with a wide range of avatar shapes and sizes. Previously, if you were building an experience where predictable avatar ...

Last year at RDC, we announced an ambitious project to power the creation of immersive 3D objects and scenes in Roblox. Today, we are excited to launch Cube 3D, a 1.8B parameter foundation model for 3D creation trained on 1.5M 3D assets--including the beta of its first capability, text-to-3D mesh generation, also known as the Mesh Generation API. Roblox ...

As the Roblox platform grows and more users engage and spend, your potential earnings will grow along with it. Creators are at the heart of the Roblox ecosystem, and we are always looking for new ways to help creators earn more. Last year, we announced bigger revenue shares across Subscriptions, Creator Store and Paid Access titles.

Roblox needs to fix this as its still present and has been annoying me a lot. On my end, roblox often randomly freezes and then closes, but sometimes it also randomly closes without freezing.

In January, our team conducted an internal study with 200 creators on Roblox, which revealed that dialogue, tutorials and game announcers were some of the top three emerging use cases across a variety of gaming genres. We can't wait to see how you use the Text-to-Speech API to start building more engaging, voice-enabled experiences.
