How often does Snapchat update your best friends list?

Snapchat updates the Best Friends list regularly to reflect your current interactions with other users. The exact frequency of updates is not disclosed by Snapchat, but it is believed to be done on a daily or weekly basis. This means that your Best Friends list can change over time as your communication patterns evolve.

How long does a Snapchat friend stay on your list?

Snapchat only looks at the last week or so when it calculates your Best Friends list, so you can't just exchange a thousand messages with someone one day and expect them to stay on your friends list forever. Although they may appear there for a moment, they'll eventually fall off as your contact with them dwindles to zero.

How does Snapchat's best friends list work?

Sending Snaps, sharing Stories, or just chatting with your friends might have more implications on Snapchat than you can imagine. With Snapchat's Best Friends list, people you frequently interact with are given preference and a separate section on the My Friends page. But how is Snapchat's Best Friends list ordered? Let's find out.
