What is a Huawei training program?

This program is for top-performing university students who would like to gain hands-on experience and learn more about Huawei.

What's it like working at Huawei?

One of the most important things I have learned at Huawei is not to be afraid to push your limits. Push yourself a step forward, reach a bit further than you expected, and ask for more. If you aim higher, you'll learn faster and grow. People are encouraged to reflect on their work and themselves. And then to improve.

How many countries does Huawei work in?
