

Industrial Photovoltaic Panel Company Ranking

What are the top solar panel manufacturers?

The top global solar panel manufacturers, based on their scale, include companies such as TW-Solar, JA Solar, AIKO, and others - these manufacturers ship a large number of solar products around the world each year.

Who makes the most solar panels in 2022?

JA Solar, Canadian Solar, and Risen Energy rounded out the top six, in a year dominated by large-format modules. TrendForce says in a new report that the top six module manufacturers in 2022 shipped around 205 GW to 211 GW of PV panels, accounting for 76% to 78% of 270 GW of module demand last year. All of the main manufacturers are based in China.

Who is the largest solar panel manufacturer in the world?

Tongwei Solar (TW-Solar) is the largest solar panel manufacturer in the world. TW-Solar shipped a whopping 38.1 GW of solar modules in 2022, doubling Trina Solar's shipments and achieving an annual revenue of USD \$20.57 billion (€16.2 billion). In August 2023, Tongwei Group made history as the first solar PV company on the Fortune Global 500 list.

How are solar company manufacturers ranked?

Solar company manufacturers are ranked based on criteria like financial stability, manufacturing capacity, and industry reputation. The tiering system, where tier 1 denotes the highest ranking, is widely utilized for classification.

Who are the top solar companies in the world?

In August 2023, Tongwei Group made history as the first solar PV company on the Fortune Global 500 list, and is currently the only solar company on the global list (as of March 2024). The top seven global solar panel manufacturers are mostly (though not exclusively) Chinese.

Who are the top 20 solar module manufacturers?

The module shipments of the top 20 manufacturers increased by more than 50% year-on-year, of which the shipments of the top four accounted for 59.95% of the total shipments of the top 20. The major players maintained their leading positions throughout the list. The top four were LONGi, Jinko, Trina and JA Solar, the same order as previous year.
