

Jamaica's solar power conversion rate

What is the cost of electricity in Jamaica?

Jamaica's electricity cost is approximately \$0.39 per kilowatt-hour (kWh). This information is provided in the energy snapshot of Jamaica, an island nation located in the north Caribbean Sea. The utility rates are above the Caribbean regional average of \$0.33/kWh.

What type of energy is used in Jamaica?

Renewable energy here is the sum of hydropower, wind, solar, geothermal, modern biomass and wave and tidal energy. Traditional biomass - the burning of charcoal, crop waste, and other organic matter - is not included. This can be an important energy source in lower-income settings. Jamaica: How much of the country's energy comes from nuclear power?

How will JPS' energy projects affect Jamaica's energy grid?

The price will be determined by JPS. Collectively, the projects will produce 100 MW for Jamaica's electricity grid, with the aim of "increasing the share of renewable sources of energy in the country energy mix," according to the tender documents.

What is Jamaica's energy policy?

Jamaica's National Energy Policy, published in 2009, sets targets for renewable electricity generation, energy efficiency, and greenhouse gas emissions to be met by 2030. The policy document outlines Jamaica's comprehensive long-term energy plan.

Does Jamaica use solar power?

Jamaica has yet to see large-scale development of solar power, with no utility-scale facilities installed to date. However, there are notable solar installations, such as the 1.6-MW rooftop array at the Grand Palladium Jamaica Resort & Spa and the combined 500 kW installed across 33 facilities by the Jamaica Broilers Group.

Why is electricity inexpensive in Jamaica?

Jamaica's electricity is inexpensive due to the fact that more than 94% of the island's electricity is generated from petroleum-based fuels. This leaves Jamaica highly dependent on imported fossil fuels and vulnerable to oil price and currency exchange fluctuations that directly impact the cost of electricity.
