Why is MacLean's a Canadian newspaper?

Maclean's, founded in 1905, is a Canadian news magazine reporting on Canadian issues such as politics, pop culture, and current events. Its founder, publisher John Bayne Maclean, established the magazine to provide a uniquely Canadian perspective on current affairs and to "entertain but also inspire its readers". [ 4 ]

What does McLean & company do?

Throughout the HR function and the leadership experience, we provide comprehensive resources at a service level to match your specific goals and constraints. McLean & Company makes your job easier by providing one source to find the resources and support you need. We don't just offer one-time solutions.

Is MacLean's a good newspaper?

Although Maclean's continues to rely on stringers for most of its foreign news, its Canadian coverage is good and provides a welcome supplement to the pallid fare in most newspapers. Maclean's cover stories have generated a certain amount of controversy over the decades.

Are McLean's meats gluten free?

McLean's meats are free of celery extracts because they are biochemically identical to sodium nitrite. Our lunch meats are truly preservative free, and free of allergens like gluten, soy and dairy. Most of our deli meats are also certified organic and sugar free. All of our animals are humanely raised without antibiotics.
