Motion has made some strategic moves to become a company with influence in the solar industry. Over the last 8 months they have hired an experienced executive and operations team.

Motion Solar Group was my last company to provide an estimate. My sales consultant/rep, Walter P, was patient, knowledgeable, and was able to answer all my questions...something other representatives could not. I am a down-to-brass/tacks person. I don't want all the fluff. Just tell me the process, the cost, and why it's worth the effort.

Motion-activated lights turn on when triggered by movement and conserve solar energy reserves, such as the AloftSun Motion Sensor Solar Landscape Spotlights, our best overall pick for its bright lighting, three modes, and two installation methods.
