

Auto Edge Taping Machine An automatic edge taping machine is used for automatic tape edge banding of dual-glass solar modules, adapting to different specifications of tapes. Discover ...

Auto Trimming Machine. Is an automatic trimming solution for edge cutting of the PV module. The machine loads and centres the panel from the long edge and trims simultaneously the four edges of the panel with 4 automatic blades, ...

Robot String Layup A robot string layup adopts leading machine vision technology and intelligent algorithms to rapidly and accurately identify the solar panel's size and other information. Discover more; **Auto String Taping Machine** The string ...

In a photovoltaic (PV) module production line, the **AUTOMATIC TRIMMING MACHINE** (4 heads, 8 knives) allows laminated modules to enter its interior. Following precise positioning, the equipment autonomously trims excess ...

An automatic **Bussing machine** is used for welding of busbars and interconnection in solar module production. The **Bussing machine** is compatible with 156-230mm, 5BB-20BB, half-cell/full-cell ...

Vertical Sorting Machine A vertical sorting machine is an automatic module sorter for sorting and sequencing of PV modules. The sorting machine supports flat and vertical sorting according to ...

Auto Trimming Machine The trimming machine can adapt to different sizes and shapes of panels and has a series of merits like high trimming quality, precision and speed, low noise and easy ...

Automatic equipment for trimming and framing processes in solar panel production line **Auto Trimming Machine** An automatic trimming machine is used to automatically remove burrs and exceed materials from PV module edges after ...

Is an automatic trimming solution for edge cutting of the PV module. The machine loads and centres the panel from the long edge and trims simultaneously the four edges of the panel with 4 automatic blades, removing the excess auxiliary ...

Horad is a specialist in solar panel manufacturing equipment. Our company is committed to providing efficient turnkey lines and a range of individual equipment for customers from around ...

Photovoltaic panel automatic edge trimming machine

Photovoltaic panel automatic edge trimming machine
