

# Portable backup power supply for laptop

Should you buy a portable laptop charger or a USB power bank?

A portable laptop charger will provide more power in that scenario than a USB power bank. If you want to charge lots of different devices, or a single power-hungry device, for more than a few hours--or if you have critical electronics that require a pure sine wave inverter, such as a CPAP machine--you should get a portable power station.

Why should you buy a laptop power bank?

When you're far from an outlet, these portable chargers will keep your computer alive. Taking care of business doesn't always happen within range of an outlet. Traveling, working off-site and decamping to a coffee shop are all situations where a laptop power bank could come in handy.

Which laptop power bank should I buy?

The Excitrus NitroCharge 120 Pro is our top recommendation for a laptop power bank. We could talk about the 25,600 mAh battery inside giving you so much capacity for multiple charge cycles. We could also talk about the digital display giving you an accurate percentage level of the battery remaining.

How many USB ports does a power bank have?

Every large power bank I've tested has at least three USB ports, with a mix of USB-C and USB-A, which should cover nearly any portable device you need to recharge -- earbuds, phones, tablets, laptops, you name it. In addition to the different plug formats, some ports supply power at different wattages.

What is the best portable power bank?

That said, the coolest thing about this power bank is there's a color LED screen that shows you real-time charging information across all three ports as well as how much juice it has left stored. Anker Prime 20,000mAh Power Bank. Mophie's Powerstation Pro is a "more elegant" portable power bank.

What is a portable laptop charger?

Portable laptop chargers aren't just for laptops. Since they're power banks with AC outlets, they can provide power to virtually any device that draws up to about 100 watts--such as a room fan, floor lamp, air mattress pump, or ice cream maker.

88.8Wh|65Watts Portable Laptop Charger with AC Outlet, A Super Travel Portable Battery Pack & Power Bank for HP, Notebooks, MacBook, Laptops.
