

Renting rooftop solar panels scam

Can you still get solar panels if you rent a roof?

All rent-a-roof schemes which offered free panels in return for Feed-in Tariff payments are shut to new customers, but there are still solar leases that homeowners can access. Solar subscriptions also provide an alternative way for homeowners to get rooftop panels without paying an upfront cost.

Are rent-a-roof solar panels free?

Rent-a-roof schemes provided free solar panels to households all over the UK during the 2010s- but there were plenty of strings attached. They stand in contrast with current-day solar subscription services like Sunsave Plus, which allow you to retain control of your roof, your solar panel system, and your future.

Are there any problems with rent-a-roof solar panels?

There were several problems with rent-a-roof solar panel schemes, most of which were impossible to solve after the contract had been signed. Here are the main problems that affected rent-a-roof customers.

Can you get free solar panels on a roof?

Companies offered to pay to lease your roof from you for 20-25 years and, in exchange, would install and maintain solar PV panels on it. You didn't have to pay upfront for the panels, and would also benefit from the free electricity produced by the system. But there are very few free solar panel schemes available now.

How many homes have a rent-a-roof solar panel scheme?

While the Feed-in Tariff was in effect, more than 900,000 homes in the UK had solar panels installed - so we can estimate that around 27,000 households signed up for a rent-a-roof scheme. What were the problems with rent-a-roof solar panel schemes?

Are free solar panels a scam?

Free solar panels are indeed a scam. This deceptive marketing tactic is often used to promote solar leases and power purchase agreements (PPAs), which come with long contracts and monthly payments that escalate over time.
