Who is the best solar company in Philadelphia PA?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Philadelphia, PA are IntegrateSun, LLC, NuWatt Energy, Cosmo Solaris, Exact Solar, and Steve Whitman Solar, Roofing, & Siding. How many solar companies are in Philadelphia, PA?

How do I find a good solar company in Philadelphia?

When researching Philadelphia solar companies, look for those with a minimum of 3.5 out of 5 stars on sites like Google Reviews and similar platforms, in addition to a good reputation on Better Business Bureau (BBB). Reviewing previous customer testimonials can give insight into other homeowners' experiences working with the solar company.

How do I get a high-quality solar panel installation in Philadelphia?

To get a high-quality solar panel installation in Philadelphia, Pennsylvania, you'll need a certified, skilled and experienced solar installer. We've assembled a list of the leading solar companies in Philadelphia to help you select the right one.

How much does solar cost in Philadelphia PA?

The average price per watt of solar power in Philadelphia, PA is \$3.26/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$18,018 for a 7.91 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

Is a solar panel system in Philadelphia worth the investment?

A solar panel system in Philadelphia is worth the investment if you can afford it. You can reduce your energy costs while supporting your community by creating local solar jobs and supporting a renewable energy source. What's the difference between national and local installers?

Why should you choose a Philadelphia solar company?

If you make the switch with a Philadelphia solar company like Sunrun today, you'll also get reliable protection during unexpected outages and reduce your home carbon emissions for decades.
