

Solar company power purchase agreement

What is a solar power purchase agreement (solar PPA)?

With a solar power purchase agreement (solar PPA), you contract with a solar developer that pays for, installs, and maintains a solar system on your property. The system could include ground-mounted, rooftop, or carport solar panels (or any combination thereof), and it could include an energy storage system.

What is a power purchase agreement?

A Power Purchase Agreement (PPA) is an alternative way to finance a home solar system. In this agreement, a homeowner pays for the electricity that their home consumes from the energy produced on their rooftop solar. The system is installed by a solar contractor for little to no upfront cost.

Is a solar power purchase agreement a good idea?

Instead, you can enjoy lower energy bills while powering your home with green energy. PPAs may also be a good solar option if you do not have the ability to claim the lucrative incentives or tax credits. How does a solar power purchase agreement work?

Why are solar power purchase agreements gaining popularity?

Solar power purchase agreements are gaining popularity because they remove the biggest barrier to entry - the price tag of solar. Solar PPAs are popular because they can be structured with minimal upfront capital costs to the business owner.

Can a solar PPA buyout be renegotiated?

Contract renegotiation: If there are changes in regulatory policies or market conditions, you and the solar developer can negotiate a PPA buyout to establish new contract terms that align with the updated circumstances. Renegotiating a solar PPA contract ensures the agreement remains mutually beneficial for you and the solar PPA provider.

How long does a solar power purchase agreement last?

One last thing to take into account is the length of your agreement with the developer. Solar power purchase agreements aren't short-term deals. You'll be locked in for 10 to 25 years or longer. If you need to get out of the agreement before then, you may face early termination fees, so make sure to read the fine print first.
