

Solar energy experts reviews

What is solarreviews' expert rating criteria?

SolarReviews developed our Expert Rating criteria to make it easier for homeowners to find solar companies they can trust. It's not just about the consumer reviews or the products they sell -- it's about how they treat their employees, how they support their customers and whether they run an honest business.

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

Who is the CEO of solarreviews?

Both Andrew Sendy, President of SolarReviews, and Lachlan Fleet, CEO of SolarReviews, have founded solar companies that are among the largest in their respective markets today. This expertise continues through the SolarReviews editorial team, which has a combined total of more than 50 years of solar industry experience. Why SolarReviews?

How does the consumer affairs research team choose the best solar companies?

The Consumer Affairs Research Team used a research-backed, data-driven approach, which was informed by our expert editors, to choose the best solar companies. The team regularly evaluates customer reviews, company information and industry trends to update our top picks.

Is solar energy world a good company?

Initial everything was fine, but once there was an issue the customer service was next to none. Solar Energy World is the fastest-growing, independently-owned and operated solar company serving Delaware, Florida, Maryland, New Jersey, Northern Virginia, Pennsylvania, and Washington, DC.

Who is the best solar company in the northeast?

LGCY Power: LGCY Power provides one of the best guided solar consultations and offers detailed online articles covering the solar installation process. The company also partners with Sunrun, one of our picks for top solar companies. Trinity Solar: Trinity Solar has served the Northeast for more than 28 years.

I'm very grateful to have The Solar Experts as my solar provider. What I appreciate most about them is that they are locally and military-owned, operating out of Albuquerque, New Mexico. If you're considering transitioning to solar energy, I would highly recommend these professionals, especially if supporting local business is important to you.

4 reviews and 15 photos of ENERGY EXPERTS A/C & SOLAR "Good Guys. They seem to care about their customers and they do good work. Everything I've seen seems to be pretty professional. They offer the HERO financing program as well as other financing and I like the fact that I did my A/C and Solar and I didn't have to get one of those crazy leases.
