Solar panel for wyze cam pan v3

Hello, I have quite a few v3s and love them. I"d like to rig a v3 at the end of my driveway, however there is no way to realistically get power here. (Not interested in the the wyze wireless one). I"m thinking of a setup of solar panel + battery + v3. The v3 pulls 4 watts I believe. so that"s 4*24 = 96 wH/day. The minimum sunshine on a day should be 8 hours, but obviously ...
