

Solar panel generator patriot

Patriot Power Generator 2000X Price. Priced around \$2,999, this generator is on the higher end of what you might pay for a battery generator in its class, but the slightly higher power and capacity as well as the included solar panel make it a good value. (Many companies only offer a solar panel as an add-on for additional cost.)

And it can hold 768 Wh of power (60 Ah). That means that if an appliance uses 1,800 watts of power or less, your Patriot Power Generator can run it. Most small appliances including your fridge and freezer fall into this group.
