What are people saying about solar installation services in Miami?

What are people saying about solar installation services in Miami,FL? "These guys are the best electricians I have ever dealt with. They are professional,timely,and experienced. I have hired them for three jobs: installing some outlets,installing an EV charger,and rewiring a large portion of my attic.

How much does solar cost in Miami FL?

The average price per watt of solar power in Miami,FL is \$2.42/W. These prices are before incentives. After the federal solar tax credit,the final cost will drop by 30%,down to \$25,868 for a 15.26 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

How do I choose a solar company?

Solar companies that are licensed, insured and hold certifications take their business seriously. Look for companies that have NABCEP Certified professionals or certified electricians on staff and are properly insured, so their workers, and you, are protected. Not everyone has thousands of dollars to spend on a solar panel installation.

Should you hire a solar installer?

Solar is a growing industry that attracts contractors from many backgrounds--sometimes only loosely related to solar. But to feel confident in your solar panels, you'll want to work with an installer that has plenty of experience in custom designing systems.
