How much money will solid power invest in 2024?

Total 2024 cash investment is expected to be in the range of \$100 million to \$120 million. The company also reiterated its expectation for 2024 revenue to be in the range of \$20 million to \$25 million. Solid Power will host a conference call at 2:30 p.m. MT (4:30 p.m. ET) today, May 7, 2024.

What did solid power do in the first quarter of 2024?

LOUISVILLE, Colo., May 07, 2024 (GLOBE NEWSWIRE) -- Solid Power, Inc. (Nasdaq: SLDP), a leading developer of solid-state battery technology, today announced its operational and financial results for the first quarter of 2024. Recent Business Highlights Strong early execution on SK On line installation and technology transfer.

Who makes solid power batteries?

Solid Power is an industry-leading producer of all solid-state rechargeable batteries for electric vehicles and mobile power markets. Solid Power replaces the flammable liquid electrolyte in a conventional lithium-ion battery with a proprietary sulfide solid electrolyte.

Who owns solid power?

The company was initially funded by prominent investors including Hyundai, Volta Energy Technologies, Umicore, Sanoh, A123 Systems and Solvay. From the outside, Solid Power is an industry-leading developer of all-solid-state battery cells.

Is solid power a solid-state battery company?

Solid Power's leadership in all solid-state battery development and manufacturing has been confirmed with the delivery of hundreds of production line-produced battery cells that were validated by Ford and the BMW Group late last year, formalizing Solid Power's commercialization plans with its two long-standing automotive partners.

What is solid power's liquidity position?

Solid Power's liquidity position remains strong. Total liquidity as of March 31, 2024, was \$378.9 million, as shown below. First quarter 2024 capital expenditures totaled \$4.1 million, primarily representing investments in the company's electrolyte production capabilities, including the build-out of a new electrolyte research and development lab.
