

Solar panel kit

What is a solar panel kit?

Our solar panel kits for home are easy for you or a contractor to install. Each solar panel kit comes with solar panels, grid-tie inverters and mounting hardware and is customized to your energy needs and home's unique specifications. Take our quick questionnaire to create a custom solar panel kit based on your energy needs.

How do I choose a solar panel kit?

Solar panel kits contain the basic elements needed for a working solar array. It is important to compare cost and system size before choosing a kit. RVs, boats, and tiny homes are great applications for solar kits. Using the EnergySage Marketplace to find professional installers is a great way to save money in the long run on your solar system.

What is a complete solar kit?

Complete solar kits are for those who want to take on the task of installing a solar panel system in their home. It offers a convenient way for DIY-ers to capture and use the sun's energy for their benefit. Within the solar panel kit, you'll find all the parts to get started on your project.

What is included in a solar panel kit?

Each solar panel kit comes with solar panels, grid-tie inverters and mounting hardware and is customized to your energy needs and home's unique specifications. Take our quick questionnaire to create a custom solar panel kit based on your energy needs. Offset your electricity bill and reduce reliance on the grid.

Should I buy a DIY solar panel kit?

Before leaping into installing a solar power system, it's best to weigh the pros and cons of doing so. Potentially lower upfront cost: Choosing a DIY solar panel kit can significantly reduce the initial investment required to go solar, potentially shortening the time it takes to recoup your investment through energy savings.

What is a Grape Solar 400 W solar panel kit?

The Grape Solar 400 W solar panel kit has four 100 W high-efficiency Grape Solar PV panels guarded by a weather-protected junction box and frame, making this solar power kit perfect for outdoor use on RVs and boats.
