

Available nationwide through Statcon Energiaa's extensive network of channel partners, both offline and online, the ENERGIAA X comes with complete compliance with BIS and IEC standards - IEC 62116 & 61727, IEC ...

Statcon Energiaa offers highly reliable and rugged Battery Charger Solutions for all kinds of DC Power Supply applications with thousands of battery chargers currently running on the same technology across all India. Our presence is across sectors like Power Generation, Transmission & Distribution, Defence, Telecom, Oil & Gas, Railways and for ...

Industrial rectifier, battery charging system & DC system by Statcon Energiaa. B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon Energiaa. India's No.1 Power Electronics Company. Number #1 Industrial Theme. Certified ISO 9001:2008.

Best rooftop solar installation company in India, Statcon Energiaa specialises in residential & commercial solar installations - from concept to quality solution. B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon ...

Download Statcon Energiaa's Solar Inverter datasheets, company profile, hybrid inverter datasheet, best price inverter datasheet PDFs. B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon Energiaa. India's No.1 Power Electronics Company. Number #1 Industrial Theme.

Statcon Energiaa Inverters enabled remote monitoring system that uses GPRS technology and its an intuitive tool to give you the insights - to observe and analyze the data of your plant from any location. B-81, Sector-63, Noida UP. Phone 0120-4088600. ...

Statcon Energiaa has introduced Energiaa-X Series single-phase grid-tie inverter with power ratings of 3 kW and 5 kW. The inverters come with built-in maximum power point tracking (MPPT) technology. As per the company, key applications of the 3 kW inverter include residences, small clinics, gyms, small offices and shops. The inverter's key ...

Statcon Energiaa's HBD range of Solar Hybrid Inverters is the No.1 Trusted Hybrid Solar Technology in the Indian market. Its Active Front End interface enables it to store renewable ...

Statcon Energiaa's Rotary Frequency Converters (RFCs) are available in fixed skid mounted and wheel mounted trolley and is supplied with suitable cable and aircraft connectors. B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon Energiaa. India's No.1 Power Electronics Company.

Statcon energiaa

Statcon Energiaa's battery charger is designed for batteries with tubular plates. It has the technology to charge sealed lead acid and flooded lead acid batteries. B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon ...

Managing Director at Statcon Energiaa · I am proud to be associated with Statcon Energiaa as its MD and Founder. Statcon Energiaa has been an industry pioneer in Power Converter manufacturing for over 3.5 decades, with over 30,000 completed projects and 250+ MW Solar Inverter Installations across the globe.

We offer a diversified range of energy solutions ...

Statcon Energiaa's Bullet 3024 MPPT Solar inverter is India's most compact and feature-filled inverter designed to run all the heavy household loads. Bullet, as it is called, charges your batteries at a lightning-fast speed from both Grid and PV. Bullet 3024 is Smart, Rough and Tough, and made to last against daily misuse. ...

Home Statcon Energiaa Product Range DEFENCE PRODUCTS. Share Defence Products. Made In India, For India, by the No.1 Trusted Indian manufacturing power electronics company. We pride ourselves in our service to the men and women that protect our nation. Our highlight is that we are the only company to have developed and supplied the GPU for the ...

Home Statcon Energiaa Product Range Power Products. Share Products for Power Utilities. Industrial Battery chargers or rectifiers are used for AC-DC conversion to charge the batteries while supplying continuous loads.

Since 1991, Statcon Energiaa is the No.1 Indian Company in the Power Electronics Sector with 25,000+ Project Sites and 100+MW of Solar Inverter Installations across the globe. Statcon Energiaa has emerged as the answer to the Indian subcontinent's energy needs. From supplying to the Indian Air Force & Navy to power-housing mid-sized factories in rural areas to providing ...

Case: Statcon Energiaa Office Building, Sector 63, Noida. Background: Typically every building be it office, factory, nursing homes, dentists, Labs, Malls, schools, factories etc. Needs to run on electricity and uses DG Set as a backup source for daily usage.

At Statcon Energiaa, we offer a comprehensive range of AC and DC load banks for all types of testing and commissioning applications. Our load banks are designed to simulate real-life operating conditions, allowing you to verify and ...

At Statcon Energiaa, we pride ourselves on our innovative MPPT (Maximum Power Point Tracking) technology that allows our solar inverters to deliver higher energy yields than traditional inverters. Our products are designed to optimize the performance of solar panels, ensuring maximum energy generation and efficiency.

Manoj Pande is the Managing Director of Statcon Energiaa, a Power Electronics company founded in 1987 by

Statcon energiaa

him in partnership. He has been working in the Power Electronics industry for the last 40 years and has seen Power Electronics evolve from discrete devices to power ICs and now full custom solutions.

Available nationwide through Statcon Energiaa's extensive network of channel partners, both offline and online, the ENERGIAA X comes with complete compliance with BIS and IEC standards - IEC 62116 & 61727, IEC 60068-2 (1,2,14,30), IEC 61683, BIS R-93031208 (IS 16221 & IS 16169). IS 16221 (Part 2):2015/ IEC 62109-2:2011 and IS 16169:2014 ...

Statcon Energiaa's Rectifier for this project is designed to work in ambient temperature of -25 Deg Celsius to 45 Deg Celsius. The project is a step towards sustainable regional development and aligns with the country's commitment to reducing carbon emissions and promoting renewable energy. This will be India's first ever deployment of ...

Statcon Energiaa offers a Smart Outdoor Inverter Solution for microgrids that integrates multiple energy sources, including renewables (biomass, wind, hydro and solar), battery storage, and diesel generators. This is an IP55 heavyduty integrated inverter solution which is Plug-n-Play for ease of use. It delivers continuous, voltage-stabilized ...

Statcon Energiaa. Since 1991, Statcon Energiaa is the No.1 Trusted Indian Company in the Power Electronics Sector. With 20000+ Project Sites and 94 MW of Solar Inverter Installations across the globe, we offers products and services in four major sectors: Solar| Power| Defence| Railways to over 20 countries and territories. The Company offers ...

India's Statcon Energiaa has developed an outdoor inverter solution for microgrids that can integrate multiple energy sources including renewables (biomass, wind, hydro and solar), battery storage, and diesel generator and ...

Statcon Energiaa's Rotary Frequency Converters (RFCs) are available in fixed skid mounted and wheel mounted trolley and is supplied with suitable cable and aircraft connectors. B-81, Sector-63, Noida UP. Phone 0120-4088600. ...

A career in Power Electronics Manufacturing promises to be fast-paced and rewarding at Statcon Energiaa. Apply to work with us today! B-81, Sector-63, Noida UP. Phone 0120-4088600. Energiaa Care App. Statcon Energiaa. India's No.1 Power Electronics Company. Number #1 Industrial Theme.

India's Statcon Energiaa has developed a plug-and-play outdoor inverter solution that provides uninterrupted power supplies to microgrid customers, with the option of combining renewable energy ...

Solar Container Solution. Developed with German engineering standards through STEAG in association with Statcon Energiaa, this container solar solution can be made available in any part of the world where such decentralized plug & play units are required.. The containerized hybrid Solar PV solution was launched on

Statcon energiaa

Monday by The Energy and ...

At Statcon Energiaa, we offer a comprehensive range of AC and DC load banks for all types of testing and commissioning applications. Our load banks are designed to simulate real-life operating conditions, allowing you to verify and optimize system performance before installation.
