

Tongwei Group Photovoltaic Panel Installation

What is Tongwei solar?

Tongwei Solar is the world's largest of manufacturer crystalline silicon cells, with four bases in Hefei, Chengdu, Meishan and Jintang. At present, the quality of Tongwei's solar cells are first class, with technical indicators reaching the top level in the world.

When did Tongwei start manufacturing shingled modules?

The M3 Phase III project was put into operation in 2021, and the 210-series large-sized module was produced smoothly, marking the entry of the 6.0 era of modules. Tongwei entered the module business in 2013. In 2020, the G12 shingled module of 1.2GW was officially put into production, achieving a single module power output of up to 660W.

Who is Tongwei module?

With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing. Tongwei creates high-efficiency shingled and half-cell products to achieve all-round coverage.

What is Tongwei polysilicon lead?

The quality, technical indicators and costs of Tongwei polysilicon lead globally, covering both electronic and solar grades. Tongwei has established strategic partnerships with several well-known downstream photovoltaic cell and module enterprises in China. The product quality has received high recognition in the market.

What makes Tongwei a high-purity crystalline silicon 'intelligent manufacturing in China'?

With a purity of 99.999999999%, the products represent the excellence of high-purity crystalline silicon "intelligent manufacturing in China". With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing.

Is Tongwei Group A 'China Top 500 enterprise'?

With a market value exceeding 300 billion RMB in 2022, Tongwei Group is a "China Top 500 Enterprise". The company has invested heavily in technology and new manufacturing capacity in recent years and is now arguably the world's largest vertically integrated solar company.

A solar panel isn't just a purchase; it's a long-term investment into sustainable energy. Tongwei's commitment to these principles sets them apart in the crowded solar market. Life Expectancy ...

Smart Module by Tongwei. No.1 in Crystalline Silicon No.1 in Cell. Tongwei High-efficiency Module. PV Changes the World. After more than ten years of rapid development, Tongwei has become a integrated PV

Tongwei Group Photovoltaic Panel Installation

enterprise with high-purity ...

A PV module is a pre-assembled group of solar cells and can be considered the smallest unit of a photovoltaic system, while a PV panel includes a group of several PV modules interconnected ...
