

Top solar energy companies in Massachusetts

What are the best solar companies in Massachusetts?

An ideal net metering program, ambitious Renewable Portfolio Standard (RPS) and high electricity bills have led to a rapid growth of the solar sector in Massachusetts -- the state ranks 11th in the nation for installed solar capacity. Our picks for the best solar companies in the Bay State include Momentum Solar, Palmetto and Venture Solar.

Which solar company has the best customer support in Massachusetts?

Momentum Solar has the best customer support out of any solar provider that operates in Massachusetts, but Boston Solar is a close second. Availability (10 points): Companies with availability in more than 40 states received our highest score in this category.

What makes a good solar installer in Massachusetts?

Massachusetts has tons of reputable solar installers, but Green Power Energy really stood out in this category. Customer Service (15 points): Availability via phone and online is key for modern home service providers in any niche. Those that offer both, along with clearly posted business hours and in-person estimates, are rated highly.

Is Massachusetts a good state for solar power?

According to the Solar Energy Industries Association (SEIA), Massachusetts is currently ranked #11 in the country for solar power. Nearly 25% of the Bay State's electricity is generated by solar--enough to power more than 777,000 homes.

Is Boston Solar a good company?

Boston Solar holds a B rating with the BBB but has no accreditation. Homeowners praised the company's speedy installation and knowledgeable staff in online reviews. Some homeowners experienced communication issues, including no-shows for appointments and no follow-up calls.

Who is Boston Solar?

Boston Solar has offered residents local solar insight and knowledge for over 11 years. The company builds custom solar solutions to suit each homeowner's needs and budget. We like that this local company provides full-service installations with NABCEP-certified staff trained in the latest solar technology.
