Our editor had a chance to install a Shorai LFX lithium battery in his Kawasaki KLX300 for some testing and there are some very noticeable improvements over the stock lead-acid battery. The most obvious is the fact that the Shorai LFX was a whopping 3.2 pounds lighter (1.5 lbs vs 4.7 lbs). Voltage also increases from 12V to 13.3V, which means the engine cranks ...

This is the battery for your Vespa P-Series scooter, including P125X and P200. For more information on how to properly maintain a scooter battery, see our item "Battery Tender." This item includes the sulfuric acid pack. SKU: 49-1705 and 49 ...
