

# Waaree solar inverter manual

What is a Waaree solar inverter?

Waaree has developed a range of single and three phase inverters that are unrivaled in the industry for their quality, reliability, and efficiency. The Solar Inverter helps to convert the direct current (DC) from the solar panels into alternating current (AC) which is used by domestic and commercial appliances.

Where can I contact Waaree energy ltd?

Email: [Waaree@Waaree.com](mailto:Waaree@Waaree.com) WAAREE ENERGIES LTD. 602, Western Edge-1, Off Western Express Highway, Borivali (E), Mumbai-400066. Maharashtra. INDIA o Tel : +91-22-6644 4444

What is a Waaree solar module rated for?

WAAREE Solar modules are provided with standard Cables with a 4 mm<sup>2</sup> cross-sectional area and are rated for 1500V(IEC and UL) for maximum system voltage, and are UV resistant. Ensure the cables are not exposed to

Does Waaree make any changes to the product?

WAAREE reserves the right to make changes to the product, specifications or this manual without prior notice.

Do Waaree modules have a blocking diode?

WAAREE Modules do not contain a blocking diode when shipped from the factory. It is recommended that a charge controller be used to prevent the batteries from being overcharged and discharged at night. Note that the installation of PV Modules on some roof types may require the addition of fireproofing, as required by local building/fire codes.

What is Waaree warranty policy?

WAAREE Modules are provided with earthing hole and same must be used for the purpose. The junction box, cable and connectors shall not be altered in any case. Modules with a suspected electrical problem should be returned to WAAREE for inspection and possible repair or replacement as per the warranty policy shall be provided by WAAREE.

Introducing the Waaree 5kW Three Phase On-Grid Solar Inverter. It's designed for large spaces, offers unbeatable reliability, and comes with excellent customer support. Key Benefits: High Energy Efficiency: This inverter maximizes solar panel performance, generating ample electricity, ideal for larger spaces.; Seamless Integration: Easy setup for quick installation, making it ...

Introducing the Waaree 8kW Three Phase On-Grid Solar Inverter. It's designed for large spaces, offers unbeatable reliability, and comes with excellent customer support. Key Benefits: High Energy Efficiency: This inverter maximizes solar panel performance, generating ample electricity, ideal for larger spaces.;
