

# Yingli photovoltaic panel manufacturer

Who makes Yingli solar panels?

Yingli Green Energy Holding Company Limited, known as "Yingli Solar," is a solar panel manufacturer. Yingli Green Energy's manufacturing covers the photovoltaic value chain from ingot casting and wafering through solar cell production and solar panel assembly. Yingli's photovoltaic module capacity is 30 GWs.

Are Yingli solar panels a good choice?

Yingli Solar has modules that range from 315 - 450 watt solar panels, which is a solid range to choose from. Either one of Yingli's residential solar panels will provide enough power to keep your home's electricity running. A solar panel's efficiency rating represents the amount of energy absorbed that will be turned into electricity.

Who is Yingli Energy Technology Group?

Yingli Energy Technology Group is one of the world's leading providers of BIPV products and integrated photovoltaic solutions, which aims to provide clean energy for all and build a Zero-carbon world.

Where is Yingli Solar located?

Headquartered in Baoding, Hebei Province, Yingli Solar has many bases in Baoding, Tianjin, Hengshui and other cities. The company boasts over 2 decades of industry experience and a worldwide marketing network.

What does Yingli Green Energy do?

Yingli Green Energy's manufacturing covers the photovoltaic value chain from ingot casting and wafering through solar cell production and solar panel assembly. Yingli's photovoltaic module capacity is 30 GWs. Yingli expanded production capacity at a time module prices slumped.

What is Yingli Solar power rating?

The positive power rating for Yingli solar panels is listed at 0/+5 W, meaning that the panels will not produce less than their power rating but they might produce as much as 5 W more than their highest rated wattage.

What is the Yingli Solar warranty?

Overview: Founded in 2007, Baoding Jiasheng Photovoltaic Technology Co., Ltd which markets its products under the brand "Gain Solar", is a wholly owned subsidiary of Yingli Solar, ...

Yingli panels still considered in top 15 and within quality standards according to TUV Rheinland. It is true that Yingli suffered a financial crisis years ago but until 2015 was in top 5 worldwide as ...

Yingli Solar is headquartered in Baoding, China but they ship their photovoltaic (PV) products globally as well as throughout Asia, Europe, and the United States. Yingli Solar is one of the oldest renewable energy
